Peter reported that he had sent an e-mail to the chairman of the CHS Board of Directors proposing a seat on the Archaeology and Historic Preservation Committee for a representative appointed by CAS, which would actually just be formalizing the present situation with him sitting on that committee as a CAS representative, but dependant upon the goodwill of History Colorado and AHPC). No answer has been yet received, but there is an AHPC meeting scheduled for the following Tuesday and that he would bring it up there as well. This proposal was acceded to by CAS as there were no objections.
